Preactor Experience

- Preactor International on the market for 30+years: 10k licences in 100 countries
- System adapts to customer, not the other way around (6 programming languages)
- Links to any ERP or database, Excel
- 4 Versions: Excel/Desktop/Web/App
- Experience having benchmark comparison to all main APS systems
- 10 times more convenient than competitors: better price, experience and solution performance
- Custom algorithms and views for each project
- Siemens digital factory technologies (SCADA sensors, RFIDs, web apps, etc)
- 100% projects solved
